E-mail: babupmathew@gmail.com

Introduction:

B. Tech Graduate in Mechanical Engineering with MBA and 5+ years of Industrial Experience in Material Handling with expertise in Industrial Automation, 3D Modeling and CAD Tools, Good analytical and problem-solving skills, Valuable team player, Productive, Responsible and Willing to learn new technologies.

Tools: Auto CAD, Pro/E

Professional Experience:

1. Company Name : **Essae Digitronics Private Limited**
Designation : **Design Engineer**
Years of Experience : 3 Years (from 2nd March 2007 to 31st May 2010)

Essae Digitronics Private Limited is having the largest number of weighing system Installations across India. These include Rapid Loading Systems, Truck Scales, Axle Scales, Platform Scales, Weigh-in-Motion Rail/Road Scales, Ladle Weighing System, Rail cum Road Weighing System, Portable Weigh Pads etc. Essae has Technical Association with Avery-Weightronix UK, Kanawha Scales & Systems USA, Mass Load Canada. It is an ISO 9001:2000 company.

Responsibilities there include Design of systems such as Rail/Truck Load out Systems, In-Motion Weighing, Truck Scales and Portable Weigh Pads. Involved in various projects starts from feasibility study to commissioning.

2. Company Name : **IPA Private Limited**
Designation : **Design Engineer**
Years of Experience : 2 Years (from 10th August 2004 to 28th February 2007)

Integrated Process Automation (IPA) Private Limited is one of the leading manufactures and suppliers of different kinds of weighing and automation parts. These include Weigh Feeders, Screw Feeders, Belt Weighers, Crane Scales, Weighing Machines etc. IPA have sophisticated and promising technology in the

field of Industrial Automation. It designs, develops, installs, and services different automation projects according to the customer requirement. It is an ISO 9001:2000 company.

As a part of Design team, involved in Design of systems such as Weigh Feeders, Screw Feeders, Belt Weighers, and other kinds of Weighing Machines. Took part in the design of different kinds of Electro-Mechanical systems that are driven by site conditions and customer requirements.

Educational Qualification:

Sl. No	Qualifying Examination	Year	Class	%	Institution of study	University/Board
1.	MBA (Finance & Marketing)	2022	First	80.20	Viswajyothi College of Engineering and Technology, Vazhakulam, Muvattupuzha	Kerala Technological University (KTU)
2.	B.Tech. (Mechanical)	2004	First	66.62	College of Engineering, Thiruvananthapuram.	University of Kerala
3.	Plus Two (Higher Secondary Examination)	2000	First	76.44	Technical Higher Secondary School, Thodupuzha.	Higher Secondary Board, Kerala
4.	SSLC (10 th Standard)	1998	First	89.33	St. Sebastian's High School, Neyyassery.	Board of Examinations, Kerala

Computer Knowledge:

Auto CAD, Pro/E, MS Office, C, C++, Windows

Extra-Curricular Activities:

Driving, Watching Movies, Music.

Personal Profile:

DOB : 23-May-1982

Sex : Male

Marital Status : Single (Priest)

Languages Known : English, Malayalam, Hindi

Declaration:

Hereby, I am declaring that all the above-mentioned details about me are correct to the best of my knowledge.

BABU P. MATHEW.
