BECOME A SPONSOR TODAY!

The NSS KTU Care Unit and Alumni Association of Viswajyothi College of Engineering Technology in association with Jeevandhara Renal Care Foundation offers you the golden opportunity to help people who are suffering from Chronic Kidney Disease to Live Better and Longer. We shall be grateful to you if you could join us in this unique mission through your active participation and financial support. So, please don't miss this chance to extend a helping hand and to serve humanity better.

WHY SPONSOR US ??

The actual cost of one dialysis is Rs.4000 but the Renal Care Foundation has agreed to meet the expense for Rs. 1000. So just donate Rs. 1000 to Renal Care Foundation and save someone's life.

This is one of the novel initiatives from the NSS KTU Care Unit of our College. Take one step ahead and join us as a frontline warrior in fighting chronic kidney diseases.

Let us serve humanity better and shed a ray of light into the life of patients suffering from renal diseases.

VISION

To be the truthful and responsible volunteers of the society, believing that every human being has the innate desire to do something to others. To be responsible protectors of the environment and caretakers of the people. To boost one's self confidence, self esteem and life's worth through institutional and community works.

NSS VJCET

**"ALONE WE CAN DO LITTLE
TOGETHER WE CAN DO MUCH"**

- HELEN KELLER

KTU CARE

JEEVANA

An initiative from the KTU care coordinators of NSS units (197, 587) and Alumni Association of Viswajyothi College Of Engineering And Technology. The objective is to collect maximum amount for the dialysis facility to renal patients and handing over to Jeevandhara Renal Care Foundation

VISION

To be the Leaders in delivering assistance to dialysis patients, organizing Medical camps, propagating the importance of organ donation, assisting Hospitals in rural area to setup dialysis Units and effectuate the dawn of a renal disease free society with community involvement and cooperation.

MISSION

Providing free dialysis to renal patients from economically backward section of the society.

- ✱ Organizing Pre detection medical camps to discover renal problems in advance.
- ✱ Conducting classes and seminars to propagate an organ donation culture in Kerala.
- ✱ Classes and seminars on life style diseases.
- ✱ Providing dialysis units in hospitals where there are no dialysis facility or the existing facility is inadequate.

OBJECTIVES

- ✱ To provide free dialysis facility to renal patients who are from economically backward sections of the society.
- ✱ To organise pre detection medical camps to diagnose renal problems,
- ✱ To conduct classes and seminars to propagate organ donation culture in Kerala.
- ✱ To conduct Classes and seminars on life style diseases.
- ✱ To provide dialysis units in hospitals where there are no dialysis facility or existing one is inadequate.

About Us

Social Life imbibes its nitty-gritty from one's concern towards fellow beings. It entails sacrifice and commitment. The notion of appropriating the whole fortune one possesses to oneself is a misconception. Physical enrichment bears any true significance only when the way our life takes a sharp deviation from conventions. The more one disposes one's hard earned treasures for philanthropy or social cause, the richer he becomes in mind. It is only an expression of admitting publicly every one's natural right for a meaningful existence. When this is attempted in a spirited thrive by a determined group the result would be great. This is exactly what we aim through our novel comity by name JEEVADHAARA RENAL CARE FOUNDATION, Vazhakulam Muvattupuzha Taluk, Ernakulam District.

Helping the Fight Against Renal Failure
